

Educational research programmes to merge

April 26, 2013 - 13:49 - Source:[Read the full story at the Research Council of Norway](#)[1]

The Research Council of Norway is combining its two educational research programmes: the Programme for Practice-based Educational Research (PRAKUT) and the Programme for Norwegian Educational Research towards 2020 (UTDANNING2020).

The decision was taken by the Research Board of the Research Council's Division for Society and Health based among other things on the evaluation of the concluded Programme for Practice-based R&D in Preschool through Secondary Schools and Teacher Education (PraksisFoU), the predecessor to the PRAKUT programme which ran from 2006-2010, and the mid-term evaluation of the Programme for Norwegian Educational Research towards 2020 (UTDANNING2020).
